

# TITANIC - THE EXHIBITION

Embark on an awe-inspiring journey into history at *Titanic - The Exhibition*, in Beverly Hills for a limited, special engagement after a sold-out run in Macau, Moscow, Perth and Sydney. Titanic - The Exhibition is an interactive and immersive experience that tells the tale of the design, creation, launch, maiden voyage and tragedy of the largest and most luxurious ship in the world at the time. Step back to 1912 and take on the name of a real Titanic passenger when you receive a boarding pass and discover their individual story prior to entering the exhibition, and while onboard, as told through relics of the past. Explore inside vast, jaw-dropping and incredibly detailed recreations of the ill-fated ship's dock, boiler room, Grand Staircase, millionaire's suite and other interior rooms. See hundreds of recovered items that survived the sinking of the Titanic, authentic White Star Line objects from her sister ship, as well as props and costumes from James Cameron's 1997 blockbuster film. Take a stroll along a recreated promenade deck under a "starry night sky" while listening to music from the era. Walk above a sea floor complete with sand and broken artifacts to the immersive Discovery Gallery and experience how discovery teams felt upon discovering the sunken remains during dives to Titanic's wreck site. You'll enjoy a unique virtual reality experience, providing a new perspective on the ship's downfall. Spend time at leisure for browsing and lunch on your own at *The Original Farmers Market* and *The Grove*, each offering a variety of restaurants and eateries.

*Tour includes: Deluxe motorcoach with water on board, entrance into Titanic The Exhibit, lunch on your own at Farmers Market and a guide*
