

# Daycation to Catalina

Sit back and relax as we take a quick and smooth boat ride from *Long Beach to Catalina*. Once you arrive, you will rediscover the enchantment of Avalon. You'll first see the misty green peaks of a mountain range that rise from the ocean floor to form this and the other Channel Islands. You may choose either a *Guided Open Air Tram Tour* or a *Glass Bottom Boat Cruise*. The tram tour is a delightful 50 minute journey along the beachfront, up the hillsides and through the heart of this friendly and historic town. You'll see picture-perfect views and colorful local attractions, as your guide shares interesting Catalina Island history. The boat cruise is a perfect way to see the crystal clear water that Santa Catalina Island is famous for. This comfortable vessel brings the undersea world right to you. There will be plenty of time to shop and grab a bite to eat before we return back to Long Beach. Upon our arrival back into Long Beach we'll enjoy an included dinner at *Bubba Gump Shrimp Company* ~ Please choose your entree when signing up ~ choices include *Chicken Linguine, Fish & Chips, Coconut Shrimp, Fried Shrimp or Half Rack of Ribs & Chicken Combo*.
