

Escape to the Central Coast

Day 1 - Pack your bag and let's drive north to the **Central Coast**. A stop will be made along the way for an early lunch on your own. Before we arrive at our hotel, we'll enjoy time at leisure browsing the charming shops, boutiques and galleries in Cambria's quaint and historic **East Village**. We'll arrive at the **Cambria Pines Lodge** in the late afternoon. Later on, as the sun sets, we'll arrive at **Sensorio** ~ internationally-acclaimed artist Bruce Munro's largest artwork to date - located in a valley between rolling hills, just east of Downtown Paso Robles. **Field of Light** is an enormous, walk-through installation comprised of nearly 60,000 spherical fiber-optic "flowers" that gently illuminate the landscape in subtle blooms of morphing color. As you stroll along the flat, lit trail at your own pace, you'll be amazed by this stunning display of "solar flowers" that create a living kaleidoscope of color. **Light Towers** is a stunning light installation that celebrates Paso Robles' wine heritage with colorful 6-foot-tall towers composed of more than 17,000 wine bottles, illuminated by glowing colorful optic fibers morphing to a moving musical score. Also on display are two new installations: **Fireflies**, a whimsical work made up of close to 10,000 flickering points of light and **Gone Fishing**, a playful representation of the contemplative act of standing by a stream.

Day 2 - Enjoy an included breakfast at the hotel before checking out. Next we'll visit a unique ranch featuring majestic **Clydesdale horses** grazing on nearly 2,000 acres of rolling pastures speckled with pristine Monterey Pines and an exquisite view of the Pacific Ocean! This ranch is the only place on earth where you can view so many Clydesdales up close in their natural habitat. This family has been breeding Clydesdales here for over 30 years. After showing them all across the U.S. and Canada, they're now sharing their Clydesdales and their passion for them with us. We'll board an open-air trailer for a driving tour through the ranch where we'll learn about the history of the ranch while taking in the incredible views. We'll enjoy an included barbecue lunch in a picturesque setting and an opportunity to meet the horses - truly sweet and gentle giants. We'll begin our journey back to Camarillo after lunch.

Tour Includes: Deluxe Motorcoach w/water & snacks, overnight stay at Cambria Pines Lodge, bell service, included breakfast at lodge, Sensorio Light Show, Clydesdales open trailer ride, barbecue lunch on the ranch and professional tour guide - (1) Breakfast and (1) Lunch are included on this tour.
