

Chocolate Tour

Warning: This tour is designed specifically for "Chocoholics" and those with an unquenchable sweet tooth. This tour is provocative, complex, and tasty! Today you will gain a new found appreciation for the history and creation of this magical dessert on this chocolate themed tour of Los Angeles. Our journey begins with a perfectly brewed café mocha and a visit to Sprinkles, the creator of the gourmet cupcake craze. Next, we will visit a chocolate maker who offers the most original flavors you have ever imagined - indulge in chocolate that might include ginger, chili pepper, infused sea salts and more. Another stop will be an Armenian bakery in Glendale, where we will enjoy delicious chocolate drizzled Baklava. We will stop for lunch on your own at San Antonio Winery, an historic winery in downtown Los Angeles. After lunch, we will do a dessert wine tasting featuring a delicious chocolate port. Your journey ends at Olvera Street, the "Birthplace of Los Angeles," and one of the oldest streets in the city for a mouthwatering chocolate-filled churro.

**Since we partner with numerous restaurants, menus and tasting locations are subject to change.

Tour includes: roundtrip deluxe motorcoach transportation, lunch on your own at San Antonio Winery, chocolate treats at each stop and tour guide.
