

# “April Showers Bring May Flowers” at the Descanso Gardens

Let's start our day with a decadent and classic experience at **Chado Tea**. Starting with a Chado salad or cream of tomato soup, assorted finger sandwiches, freshly made scones (served with Devonshire cream and jam), seasonal desserts and accompanied by a selection of freshly steeped loose leaf teas.

After lunch, our day will continue as we bask in the serenity of the beautiful **Descanso Gardens**. Make your way through 160 acres of these magnificent gardens, as our tram takes us past azaleas, camellias, roses, irises, wildflowers and California natives. You may also visit the Japanese Garden and Tea House, a bird sanctuary, and the Boddy House mansion with its beautiful art gallery inside.
