

## LET'S TACO ABOUT IT

You can't come to Los Angeles without trying some of its fabulous tacos. East LA has been "the place to go" for taco-crazed Angelenos for decades, with its neighborhoods full of color, history, energy, murals and great food. On this tour, we'll be introduced to some of the best tacos in town. While we eat, we'll discuss the history of the neighborhoods we visit and the context of each taco we try. Your guide will share the secrets of how to find a quality taco stand, and relate some of their unique stories. We'll taste tacos from the classic American "crunchy" shells, to the more traditional regional offerings, to fusion tacos that really exemplify LA. There's a taco for everyone on this tour! We'll have an in-depth look at Olvera Street, the birthplace of Los Angeles. So come and enjoy a delicious day of tacos & history.

*Tour includes: Deluxe motorcoach with water on board, four (4) stops for Tacos, a special Mexican treat and tour guide.*
