

ROUTE 66 End of the Road Tour

If you ever plan to motor west, travel my way, take the highway that's the best. Get your kicks on Route 66" Stretching 2,448 miles through 8 states and 3 time zones, U.S. Highway 66, popularly known as Route 66 or the Mother Road, holds a special place in the American consciousness. Conjuring images of simpler times, mom and pop businesses, and the car culture of a mobile nation on the road, the Western terminus of America's Main Street will be the focus of our tour. Today's adventure will begin with a complimentary churro at the Mother Road's original Western boundary in the theater district of downtown Los Angeles and conclude at the recently designated End of The Road, The Santa Monica Pier. Along the way we will pass through Broadway and the Los Angeles theater district, drive by the Hollywood Forever cemetery where luminaries of Los Angeles history and stars of the golden screen have found permanent residence, the Hollywood Walk of Fame, the Dolby and Chinese Theater, the Formosa café, and the Pacific Design center. We will stop at the world-famous Farmers Market for lunch on your own. With over 30 international specialty restaurants to choose from, your taste buds can travel the world in the comfortable patio style setting. Resuming our journey after lunch, we will stop at the Beverly Hills Sculpture Park which features Ringo Star's 800 pound chrome icon, Peace and Love amongst other fabulous 3-dimensional creations. Arriving at the Santa Monica Pier, we will sample the hand "smashed" lemonade from the original Hot Dog Stick stand that dates back to 1946. After leisurely strolling the pier's midway, we will conclude our journey at the farthest reaches of the pier, The Route 66 Last Stop Shop, a fabulous collection of the Route's memorabilia and the Robert Waldmire Memorial. Our drive home will be via Pacific Coast Highway.

Tour includes: Deluxe Motorcoach with water on board, lunch on your own at Farmer's Market, Hand-Stamped Lemonade and tour guide.
