

Stained Glass Tour

This fun excursion takes us on a quest for stained glass. Stained glass is a beautiful art form, and our city has some wonderful examples. Our day begins at **Judson Studios** with a guided tour, where you'll see up close how they design and fabricate their stained glass, fused glass, and architectural glass. At our next stop, the **All Saints Episcopal Church**, you'll find incredible stained glass Tiffany windows throughout (some windows in the north and south transepts are actually from the original church). After lunch, we'll visit **Leonardo Da Vinci's Last Supper**, magnificently recreated in stained glass at **Forest Lawn** in Glendale. Lunch will be on your own at the **Americana at Brand**. Chosen for its delicious dining experience, and featuring all the fresh flavors you love, you can choose among appetizing entrées to crave-worthy confections ~ and everything in between. So great food, beauty and fun await you on this wonderful tour.

Tour Includes: Deluxe Motorcoach, tour of the Judson Studios, Donations and guide.
