

ART OF THE CITY

Today's tour covers a broad array of contemporary and historical public artworks in the Civic Center, Historic Core, West Adams, the Figueroa corridor, and the booming arts district. You will see what used to be an industrial fringe area of Los Angeles that has turned into art studios, lofts, galleries and some of the best street art in Los Angeles. We will learn the history and gain insight into each of the installations that are part of a rapidly changing art scene in a bustling and evolving downtown LA. Throughout the day, you'll have an opportunity to disembark for photos and see the latest public art including statues, sculptures, murals dedicated to LA sports figures like Kobe Bryant, Mookie Betts, Wayne Gretzky and more. Enjoy time for lunch on your own at LA's famous Philippe's, home of the French Dip Sandwich. This downtown landmark has been feeding Angelenos since 1908.

Tour includes roundtrip deluxe motorcoach transportation with water on board, lunch on your own at Phillippe's and tour guide
